

The logo for McC is rendered in a bold, green, italicized sans-serif font with a black outline and a slight 3D effect.

VALUE Driven

The background of the entire page is a photograph of several large, cylindrical grain silos. The silos are light-colored with a prominent green horizontal band near the top. They are surrounded by a complex network of black steel structures, including ladders and walkways, many of which are painted yellow. A yellow front loader is parked in the foreground on the right side. The sky is a clear, bright blue.

Grain Handling, Storage & Processing

From concept to operation, McC is your contractor of choice.

Grain Handling, Storage & Milling

We specialize in the construction, maintenance, repair, renovation and installation of grain handling, storage and milling systems. We provide value through quality workmanship and service, while maintaining safety as our primary goal.
